

AURORA MAN
KILLED BY TRAIN

Truck Conveying State Highway Workmen Struck by M. P. Passenger at Fredericktown.

Raymond McCormick, of Monett, William Keer, of Mt. Vernon, were severely injured, and Troy Mainous, of Aurora, was injured so badly that he died within two hours, Thursday afternoon, after Missouri Pacific passenger train No. 432 struck a truck in which they were riding at Fredericktown, within fifty yards of the passenger station. The men were employed by M. E. Gillioz of this city, and were working on the state highway of which Mr. Gillioz has the contract, and which runs through Fredericktown.

The injured men were rushed to a hospital thirty miles from Fredericktown, but Mr. Mainous died two hours later while on the way to the hospital. Mr. McCormick has both legs broken and other injuries, and Mr. Keer was badly bruised, but neither of them is in a serious condition.

The accident occurred at two o'clock. The passenger train which struck the truck was several hours late and was running at a high rate of speed. The driver of the truck, which was a rented one, killed the truck's engine when he saw the fast approaching train, when the truck was on the crossing.

W. D. RANDALL FUNERAL
HELD FRIDAY

One of the largest funerals ever held in Monett was that of W. D. Randall, which was held from St. Lawrence's Catholic church Friday. Aside from the immediate relatives, who are very numerous both in town and out of town, the procession to the church included the members of the G. I. A., followed by the members of the Senior class of St. Joseph's High school of which the two Randall boys, Harold and Paul, are members; then followed the Knights of Columbus of which organization Mr. Randall was a member as are also both sons.

Requiem high mass was sung for the departed soul by the pastor of St. Lawrence's, the Rev. Father McNamee, the boys' choir rendering the Gregorian plain chant. The Offertory hymn, the Ave Verum by Stearns was sung by Mr. W. T. Kennedy of Springfield who is a cousin to the Randalls. The sermon delivered on the occasion by the pastor was a very scholarly one on the theme, "Death." He dwelt at length on the uncertainty of the time and the manner but the certainty of the call from the Creator some time. The best assurance of a consoling death is a blameless life, lived according to the standards of right and justice. And those of us who knew Mr. Randall are convinced that such a life was his and although his summons came very unexpectedly we do not doubt that he answered that call fearlessly, secure in the knowledge that he had done the best he could to serve his God and his fellow man.

The deepest sympathy of the entire community goes out to Mrs. Randall and her two sons who have been bereft of the loving care and kindness of their husband and father. While we mourn with them in their hour of severe trial we can but feel assured that Mr. Randall has gone to the reward which a good life has merited for him.

SENIOR CLASS PLAY

The Senior class of 1921 of the Monett high school will present the class play, "Green Stockings," at the Rialto theatre on Monday evening, May 16. The play company consists of twelve members of the Senior class, directed by Miss Doris Owen, head of the English department, and Professor Guy H. Capps.

"Green Stockings" is one of the most popular plays with amateurs that has ever been published. It is put out by Samuel French of New York and London, oldest play published in the world. It has been used and is being used by many of the leading high schools of the country. It was put on by the Senior class of the Springfield high school this year and it has been played by both Teachers College and Drury within the past few months. It is the play in which Margaret Anglin thrilled capacity audiences everywhere, and it had an extended run at the Maxine Elliot theatre in New York City. It has also been produced in pictures.

This comedy is the cleanest and most wholesome that can be written, there is nothing coarse or questionable in the whole play. It is full of lovely action and bristling with fun throughout. It is a delightful high grade comedy, entirely different from the ordinary melodramatic productions. It is a modern English play, and the scene is laid in the vicinity of London.

Following is the list of characters: Admiral Grice, Earl McCubbin, William Faraday, Lee Polson, Colonel Smith, Homer Counts, Robert Tarver, Durward Gooch, Henry Steele, Alfred Richardson, James Raleigh, James Swartzel, Martin, Leslie Stevenson, Alia Faraday, Elizabeth Kersey, Mrs. Rockingham, Ruth Wilhelm, Lady Trenchard, Mildred Freeze, Phyllis Faraday, Ruth Cox, Mrs. Chisholm Faraday, Ruth Feist.

DOMESTIC SCIENCE

Gray, George J. C. Wilhelm and L. D. McKee. The work of Miss Foster was highly praised, not only for the mechanical perfection but for the wholesome influence upon the girls under her instruction. Regret was expressed that the boys did not have a similar advantage in manual training work.

Those who were present were Rev. and Mrs. J. F. King, of Joplin; Mr. and Mrs. George J. C. Wilhelm, Mr. and Mrs. Wm. E. Gray, Mr. and Mrs. J. V. Nelson, Mr. and Mrs. H. A. Gardner, Mr. and Mrs. L. D. A PLEASANT OCCUPATION

What a nice sort of work is that of genial Doctor W. H. Lynch of Springfield, who goes about the country encouraging young people of both sexes to acquire more education. In the course of his career he has stirred slumbering ambition in the hearts of thousands of boys and girls, and in so doing he has helped immeasurably in making Missouri and the United States a better place for happiness and sound human success.

In his latest address, including one made in Joplin last night, Doctor Lynch emphasized the "Ten Commandments" of Charles M. Schwab, offered some time ago in an address to some of the students of La Salle Extension University of Chicago. Here they are:

- 1—Work hard, because hard work is the best investment a man can make
- 2—Study hard, because knowledge enables a man to work more intelligently and effectively.
- 3—Be exact, because slipshod methods bring only slipshod results.
- 4—Be democratic, because unless you feel right towards your fellow men you can never be a successful leader of men.
- 5—Cultivate personality, because personality is to a man what perfume is to a flower.
- 6—Have initiative, because rats often deepen into graves.
- 7—Love your work, because then you find pleasure in mastering it.
- 8—Help and share with others, because the real test of business greatness lies in giving opportunity to others.
- 9—Have the American spirit of conquest, because thus you can successfully battle with and overcome difficulties.
- 10—In all things do your best, because the man who has done his best has done everything. The man who has done less than his best has done nothing.—Joplin Globe.

HIGH SCHOOL ATHLETES
BREAK RECORDS

Bosworth, K. C. Central, and Wentworth Win First Places in Their Divisions; Monett Second.

Columbia, Mo., May 7.—In spite of rainy weather the Eighteenth Annual Interscholastic Track and Field Meet held at the University of Missouri was a huge success. Six State records were broken.

Nearly 500 athletes, representing forty-two high schools, eagerly waited on Rollins Field for the contest to begin. The rain could not dampen their spirits.

The schools were divided into three divisions. High schools having fewer than 350 students enrolled formed Division I. There were thirty schools entered in this division: Boonville, Bosworth, Carrollton, Clayton, Chillicothe, Hale, Harrisonville, Keytesville, Brunswick, Kirkwood, Knox City, Lancaster, LaPlata, Lexington, Marceline, Marshall, Milan, Monett, Paris, Pleasant Hill, Republic, Ridgeway, Salisbury, Slater, St. Charles, Steele (Malta Bend), Trenton, Triplett, University City and Wellsville.

Nine schools, having more than 350 enrolled, formed Division II, Columbia, K. C. Central, K. C. Northeast, K. C. Manual Training, K. C. Westport, Kirksville, Moberly, Springfield and Webster Groves.

The military academies—Missouri, Wentworth and Kemper comprised Division III.

The results of the meet were as follows:

Division I.—Bosworth, 39 points; Monett, 21½ points; University City, 14 points; Carrolltown 9½ points; Marceline, 7 points; Brunswick, 6 points; Triplett, 6 points; Hale, 4 points; Boonville, Harrisonville and Kirkwood, 3 points each; Slater, Wellsville and Marshall, 2 points each.

Division II.—K. C. Central, 33½ points; K. C. Manual, 29 points; K. C. Westport, 26½ points; Webster Groves, 13½ points; K. C. Northeast, 10 points; Columbia, 8 points.

Division III.—Wentworth, 59½; Kemper, 46; Missouri, 14½ points.

In winning second place in its Division, Monett was a complete surprise. Four athletes piled up a score of 21½ points. W. Reynaud won second place in the 120-yard hurdles, third place in the 220-yard hurdles, and tied for third place in the pole vault; McMahon won first place in the 440-yard dash and fourth place in the 220-yard dash; Reed won first place in the 880-yard run; and Chumbley won second place in the 440-yard dash. The Monett relay team won third place in the half-mile relay.

The Monett boys did splendidly and the University of Missouri is proud to have had such men entered in this meet.

The case of the City vs. John Teehan for assaulting Ollie McGuire and Clyde Reniff was dismissed from court Saturday morning by Judge Hobbs, by order of the plaintiff who refused to prosecute.

PROPOSITIONS FOR CITY PARK

The park committee for the Commercial Club has secured prices on sites for a city park. In order to get a park, it will be necessary to raise some money which can be done by a bond issue or by public subscription. Owing to the constant drain on the pocketbooks of the citizens in the downtown district, the bond issue is given more favorable consideration, for in this way every property owner will be given a chance to contribute and the amount of tax will be scarcely noticed.

Monett can get a park by acting now. If we wait we may miss the opportunity to get a satisfactory tract of ground. In order to determine the sentiment of the people it has been suggested that the daily Times conduct a voting campaign through its columns. In this issue will be found a coupon. If you have an opinion on this subject, and are a qualified voter in Monett, cut out the coupon and send it to this office within the next two weeks. If you want to write a short article giving your ideas on the subject, submit it at once to this office.
